Solution:
Common Core Institute

Teacher Training:
4 days summer training in your district or region
(dates to be determined by purchasing district/school)
4 follow-up days in your schools during the 2013-14 school year (can be workshop days, demonstration lessons or observation/coaching days, at the discretion of the district)

Groupings available as follows:
K-2, 3rd-5th, 6th-8th, 9th-12th

Administrator Training:
2 days training for principals and district personnel (at location determined by district)
1 day follow-up at local school/district
(date to be determined by district)

Cost: $1400 per day for a total basic package cost of $15,400
**additional days can be customized at district/school request (Examples: mentoring for administrators, coaching for teachers, assistance with special education or guidance, dropout prevention tactics)

CEU’s: up to 4.0 available through MSU

SEMI’s: 15
Prepares teachers to Implement

- Common Core State Standards in conjunction with MDE Frameworks (for MCT2 preparation and training for future CCSS assessments)
- Data-driven and standards-based instruction
- Developmentally responsive instructional practices
- Balanced reading/writing processes across the content areas
- Brain research as it applies to the young child, pre-teen and adolescent
- Motivational classroom practices
- Evaluation and assessment options aligned with state assessments
- Relevant, challenging, integrative and exploratory curriculum as advocated in the Common Core national initiative and by national educational organizations

Do your teachers need solid introduction to the Common Core Standards and strategies for teaching reading comprehension and writing?

Are you worried about maintaining good test scores with this implementation layered on top of the MCT2 and SATP tests?

Are building level administrators properly prepared to assist teachers with the shift in assessment and instruction?

Make checks or purchase orders payable to Mississippi State University.

To get specifics about tailoring the Common Core Institute to your school or district OR to set dates for delivery of these service days in your area, contact any staff member of the Institute or:

Glenn McGee, Director of Mississippi Writing/Thinking Institute at gmcgee@colled.msstate.edu or at 662-325-7777
